What's New in Cosmetic Dentistry?

Our January speaker was Dr. John Verville, a well-known local dentist and one of our advertisers, gave a talk on the latest news in cosmetic dentistry.

He showed slides of before and after porcelain veneers, "Invisalign" (a new way to straighten teeth in 32 weeks), and tooth implants. Thanks to Pat Burnell and Lori Masucci, who were models for the new techniques.

Green Cove Springs Merchants Association . . . Parade of Trees

We received a nice thank you from the Merchants Association for our help in decorating the trees down at Spring Park. Many thanks to the many members who braved the bad weather to go down and help out. The Association also had a plaque at Spring Park thanking us for our assistance. They also sent us several newspaper articles about the Parade of Trees this year. Did anyone see the Clay Today front page photo? Looks like Doe Sankey was having a lot of fun!!!!

President's Message

During February, our Nomination Committee and Executive Board will begin work on the task of managing leadership vacancies. I ask that you consider stepping forth to help fill these roles. If you are a new resident or member, don't hesitate to come forward. We need your talents and our members and Executive Board will support you. You may email me directly at glb@bellsouth.net or call me at 529-7577.

I would like to highlight the following:

- ▶ A new resident, Denise Beauchamp, will head up MPWC's efforts to assist with Habitat for Humanity in Green Cove Springs. Please take the time to thank her for her gift of leadership.
- ▶ Our Charity committee, headed up by Helen Weygand, did an outstanding job in allocating our charity dollars. We all thank you.

Most of you already know our speaker for the February meeting is Donna Hicken. Marsha Zupan will provide details in this newsletter but please don't forget two things: You must have made a reservation as space will be limited and it is a lunch meeting.

I hope to see you there.

Nancy
