President's Message

KUDOS to the Nominating Committee and to the Charitable Grants Committee.

All positions for the 2007/2008 club year are filled with volunteers. It is exciting to think there will be all kinds of new ideas coming in the new year. Thank you Nominating Committee team and especially to YOU, the members, that are so willing to pitch in and serve.

Also, many thanks to **Helen Weygand** and her committee for really digging in and doing lots of homework to research the charities that we will support this year. All of the causes are worthy and it is very hard to choose where our funds can have the largest impact. Well done!

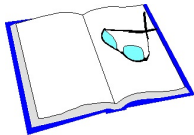

It sounds like another great program for our February 21st meeting. This month Amy Stump from the Clay County Sheriff's Department has just been certified as a forensic artist. CSI/Magnolia, here we come.

On a lighter note, February 28th is Bingo night at the club. Hope to see many of you there.

Happy Valentine's Day.

Dorothy

Free Money for Charles E. Bennett School Campbell's Labels for Education

Clip your Campbell Soup labels and the labels from many other Campbell products to raise money for the Charles E. Bennett Elementary School.

Box Tops for Education

Clip this symbol on participating products and we can earn even more "free" money for the CEB School.

Both labels are being collected by Marlene Jacobs. You can bring them to the meeting or leave them in the Campbell Soup container that is located in the Ladies Room in the Golf Pro Shop.

We email a list of all products in both programs to all members. If you have any questions, give Marlene a call!

Reasons to Smile

A good friend will come and bail you out of jail. But, a true friend will be sitting next to you saying, "Dang...that was fun!"

I signed up for an exercise class and was told to wear loose-fitting clothing. If I *HAD* any loose-fitting clothing, I wouldn't have signed up in the first place!
