

P inting The Way

"To offer a nonprofit, educational and service-oriented organization to its members"

Vol. 6, No. 9

September 2006

August Program - Dr. Chin

Dr. Chin was a most entertaining and informative speaker. He studied with a Master in the hills of China and has earned a 10th degree black belt. He is 72 years young and has a wonderful and witty approach to living one's life.

His main message is that "WE" have total control over ourselves and experience nothing unless we let it happen. He spoke about centering and its advantages. He believes we can all live a long and healthy life through centering or meditation. His sense of humor mixed with his message of well being was well received by all.

Sandy Magyar & Dr. Chin

Several members of the MPWC and others living here at Magnolia Point use Dr. Chin's services. He is the Director at the Physicians's Acu-Care Pain-Stress Clinic at 350 Eldridge Ave, Suite 5 in Orange Park. Look for his advertisement in our new directory.

October 11 Meeting

Our next meeting is on Wednesday, October 11 at 3pm in the clubhouse. Green Cove Springs Police Chief Musco will be our guest speaker.

Happy Hour and a buffet will follow our meeting down in the 28th Hole Bar & Grill.

September Book Club

The Book Club will meet at the home of Ann Burden on Wednesday, September 27 at 11:00 am. We will discuss *The Pact* by Jodi Picoult. Remember, bring your lunch and drinks and dessert will be provided. Oh, Ann lives at 1517 Stonebriar Drive.

Correction on Clubhouse Membership

There was an error in the August newsletter regarding a Clubhouse membership. The monthly food and beverage charge is a minimum of \$35.00 and not \$25.00.

What is "Make a Difference Day?"

Make A Difference Day is the most encompassing national day of helping others – a celebration of neighbors helping neighbors. Everyone can participate! Created by USA WEEKEND Magazine, this is an annual event that takes place on the fourth Saturday of every October. The next event is Saturday, October 28.

Millions have participated – in 2005, 3 million people cared enough about their communities to volunteer on that day, accomplishing thousands of projects in hundreds of towns. Celebrating extraordinary deeds performed by ordinary people on America's largest day of doing good.

Habitat for Humanity's "Women's Build, National Make a Difference Day" is October 28. The following people have signed up to participate in our local event:

Nancy Nettuno
Cheryle Newman
Susan Horvath
Dr. Mary Ayers (organizing an office group)

If you would like to participate and be part of this National Community Service Event, **please email Denise Beauchamp @ d.beauchamp@comcast.net**. Habitat for Humanity will have volunteer opportunities throughout the project from October - February. If you would like to participate at another time during the build, please let me know. I'd like to get a list of those volunteering for October 28 to Habitat as soon as possible. This is a great opportunity to make a difference in the lives of those less fortunate right here in Green Cove Springs.

Need Something To Do or Play????

Anyone interested in playing "Euchre" (an easy to learn and play card game), please call Kathy Felton at 529-8927.

President's Message

Wow, it sure is hot here in OZ. This is our first summer here and have finally learned the meaning of warm!

It is hard to think of 'warm' candles burning, but, the luminary committee is gearing up for our great community event in December. Hopefully, directory ad money is in as well as member dues. Our new member directory comes out soon and we sure do want you all to be included.

We are still looking for a "shadow" for Vice President of Programs. We have some good ideas that should make the job easy next year!

Also, many thanks to Geri Isgan for handling the "Labels for Education" and Campbell Soup labels for the last several years. We need someone to take Geri's place. The job requires that you empty the containers of labels, sort and distribute them. Geri will be happy to give you some pointers.

We have what I think will be a great fund raiser coming up. More about that at the meeting. We will have 'the' rings at the meeting for our raffle.

Many thanks to Sandy and Marsha for a wonderful luncheon held on September 13th. The seating plan was fun as it enabled our members to meet new members!

Dorothy

Luminary Night – Saturday, Dec. 9

The holidays are a special time at Magnolia Point. Saturday, December 9th is "Light Up Magnolia Point" luminary night. We live in such a beautiful community, and this is our chance to make it even more so by candlelight!

This is a Magnolia Point Women's Club major fund raiser with the profits going right back into our community in the form of educational scholarships, donations to special needs organizations and financial assistance to students at the Charles E. Bennett Elementary School.

Luminary Sales begin the first week in November and end on November 27th. Each kit is \$5.00 and includes supplies for making 10 luminaries. Most residents purchase one kit for every 30 feet of road frontage. These kits will be assembled by a wonderful group of volunteers and will be **delivered to your home** by your block captain the first week of December.

Please mark your calendar for Saturday, December 9th to put a real glow in your holidays and in the lives of so many folks in our community! For more information, contact Luminary Chairman Sue Dake at 284-2767.
