

Magnolia Point Women's Club
General Meeting Minutes for September 12, 2018
MPGCC Dining Room

President Cheryle Newman opened the meeting at 3:30pm with a welcome and call for a motion to accept the minutes from August 8, 2018. Grace Barber made that motion, with a second from Pam Brame and all approved.

New members were introduced: Janice Nix, Linda Werring and Marcia Blackwell and each gave a short bio.

MAGGIE'S MEALS: Pam Brame reported we are packing for 142 students, including 9 Junior High students.

CEB: Cheryle was informed by Kathie Cardon that all WONDER books have arrived for 4th grade and teachers will be reimbursed for their classroom enhancement aids as they turn in their receipts.

FUNDRAISING: Shirley Orvosh sold raffles tickets for OP Theater that raised \$30. The Elks have canceled the bingo fundraiser for us, but they may make a donation to Maggie's Meals at a later date.

MEMBERSHIP: Marguerite Martin reported we have 236 paid members. Letters have been sent to all unpaid members with a final date for renewal.

LUMINARIES: Grace Barber requested volunteers to assist her with this event scheduled for Saturday, December 8, 2018. She passed a signup sheet for block captains. Kits will be assembled at her home with sell dates from November 15 thru December 8.

BOUTIQUE: Eloise Burman reported that vendor forms are coming in along with donations and food truck possibilities. The event is scheduled for November 12, 2018 at Sullivan Hall.

HEART WALK: Patty Bransford, along with her husband and Cheryle Newman cleared the Red 1, 2 and 3 for the walk. The clubhouse is setting up tables for refreshments (fruit, water, coffee, muffins) and registration begins at 8:00am.

SOCIAL: Susan Hanline reported openings are still available for the Underground Tour on October 2 and 3. Social is trying to book a St Augustine cruise on a 100-passenger boat in the Spring. The November meeting will be jewelry making with instructions from member, Anna Weidner, who will also have items for sale that day.

PROGRAMS: Sandy Waldrup reported Jeanne Blaylock will be our guest speaker for our meeting and luncheon on October 10, 2018. Marilyn Cole had the bras for the Buddy Bus donation that will be on display at the Channel 12/25 station fence that faces TIAA Bank Field. All are encouraged to decorate these bras that will be collected at our luncheon. RSVP's are very important for this event.

SCHOLARSHIPS: Cheryle informed us that Chairman Nancy Mills has been called for duty with FEMA. She will have two openings on her committee for next year and is selecting an ad hoc committee to discuss the recent scholarship survey.

Deneen Rothfels updated us on club news. Bingo is back on Tuesdays with proceeds going to local charities. Live music in the Pub on every Friday night will continue. Deneen invited us to come enjoy all the club has to offer.

Meeting was adjourned at 3:55pm with a motion made by Patty Bransford, a second and approved.

Sandy Waldrup introduced Ray Vickerman, a line dance instructor from several senior centers, who tried to teach us many new moves to the best country music. A good time was had by all.

Respectfully Submitted

Marlene Jacobs

Recording Secretary
