Magnolia Point Women's Club
Minutes of the June 12, 2019 General Meeting
Magnolia Point Golf & Country Club

President Pam Brame opened the meeting at 3:30pm with a welcome and request for motion to accept May 8th minutes. Sandy Waldrup moved to accept the minutes of the May 8th meeting, Grace Barber seconded and the motion passed.

Norma Chao introduced her guest, Kelly Sapp, who joined the women's club today.

TREASURER: Susan Mitchell asked if anyone had any questions about the monthly financial report that was emailed to all members. There were no questions.

SOCIAL: Kim Belcher reminded members that the next event will be an Ice Cream Social at the Senior Center after the August 14th meeting.

FUNDRAISING: Shirley Orvosh sold raffle tickets for The Music Man at OPCT, which was won by Mary Kendall. The raffle raised $62.00. The board voted to not do a theater night at OPCT this year due to lack of participation.

PROGRAMS: Sandy Waldrup announced July program will be Dr. Rick Kunze who will speak on the aging of the mind and body and how to slow it down. She reminded members to take the online survey to play "What Americans Say" at our August meeting.

SCHOLARSHIPS: Nancy Mills gave a review of her committee and how the scholarships were awarded and then introduced each recipient who was present: Katie Bowerman, Sarah Fischer, Farah Sheheen, and Sydney Gross. Our fifth recipient, Dallas Bryant, was unable to attend because she had to work. Each of the girls introduced her mom and guests and thanked us.

Nancy then introduced Susan Horn, Director of Guidance at Clay High School. Susan spoke of the impact our scholarships make on the school and presented us with a certificate of appreciation.

There being no further business, Pam adjourned the meeting at 4:00pm for a short break.

Respectfully submitted,

Marlene Jacobs

Recording Secretary

PROGRAM: Glenn Thigpen, Master Gardener from Bannerman Learning Center, was our guest speaker. She described the types of students who are enrolled and how their goal is to return to their home schools and complete their education.

Glenn thanked us for the generous donation of $800.00 for a new roof on the greenhouse. She related humorous stories of the students and their gardening experiences. This year, 64 students entered 66 plants in the Clay County Fair. They were awarded 38 blue ribbons, 22 red ribbons, 6 special merits and two "Best in Show." They also received over $250 in prize money that helps since the center does not receive grants to enrich the learning process.
