## **Women's Club - Why should I be a member?.... I can't attend the meetings.**

1. You can receive a newsletter and frequent email messages to keep you "in the know" about what's happening in our neighborhood.
2. You can meet and make new friends.
3. You can enjoy regular monthly speakers about subjects of interest to all ages. Speakers generally start at 4pm on our meeting day.
4. Your dues along with other fundraising monies go to support families and children in Clay County. Since 2001, we have given in excess of \$221,000 to local charities.
5. You can benefit from our "Helping Hands" committee, who provide food, transportation and support when illness or other tragedy strikes. Members of this committee give freely of their time and do not use MPWC funds.
6. Our Directory provides information about local companies you may need for home maintenance, cleaning, and other services.
7. Your support will assist young women in Clay High School through the "Gisela Ferrell Memorial Scholarship Fund." To date, we have awarded \$52,000 in scholarships.
8. You can participate with the group on day trips to points of interest inside and outside the state.
9. You don't have to attend a business meeting unless you want to, but still have access to all we offer.
10. You can place a classified ad in our monthly newsletter.
