President’s Message:

Greetings fellow members,

Thank you for the confidence you have shown to allow me to guide our membership this upcoming year.

The MPWC will continue to reach out into our neighborhood community to make lives better through our ongoing involvement with Charles E. Bennett Elementary, Challenge Enterprises, WayFree Clinic, Diabetes Walk, Heart Walk, Breast Cancer Walk and a host of other projects.

Along the way, I promise we will have fun and exciting things for us, the membership to enjoy, whether it be happy hour meetings, day trips, fun speakers and most importantly, having the time to meet with fellow residents.

The Blessing In A Backpack project we committed to launch in an effort to help childhood hunger in our community, is taking shape and I feel will be one of the best and fulfilling projects this great group of women have undertaken.

When this membership was established, Helping Hands was and still is the best project the club has done for our immediate community. Now we have an opportunity to make a difference, although a very small one, to help the children of Green Cove Springs our leaders of the future, to not go hungry when not in school. It is a proven fact, children of all ages, do better, when the stomach doesn’t growl and they are not worried when they will have their next meal.

A big thank you to all who stepped up to sponsor a child this coming year and to those, who have signed up to assist with the packing of the backpacks. Those who want to do something, please talk to one of the officers or myself and we can surely find a way you can help.

To the members who are leaving us to cooler locations for the summer months, have a great trip but remember to return to us ready to have some fun in the fall...

See you at the meeting!

Cheryle
