St. Johns Riverkeeper

Lisa Rinaman, the St. Johns Riverkeeper, was our guest speaker in April. The group is a non-profit advocacy organization for the St. Johns River. They are privately funded and serve as an independent voice for the river.

Two problems facing our river in the near future include the possible dredging at the mouth of the St. Johns and Central Florida requesting to draw more than a million gallons of water a day from it.

May 14 - Meeting & Member Social

Plan to attend our meeting and member social on Wednesday, May 14th at 3:30 in the dining room of the clubhouse. The meeting will include the installation of our new officers. The women's club is providing complimentary appetizers for members.

Betty Alix, Jan Morse and Joanie Braatz have put together a wonderful slide show to recap our year and it is a must see for everyone to see.

Happy hour and dinner will follow the program starting at 5pm. Call Dyal for reservations - 269-9276 x 0.

Thank You CEB Volunteers

Thank you bakers and shoppers for donating your time and energy to make two CEB events very successful. President's Message

Happy May, and Happy Mother's Day to all. It finally feels like we live in Florida, the Sunshine State.

There definitely was sunshine for our organization recently. I attended the Reinhold Clay Awards ceremony and our own Jean Cosby was recognized for Volunteer of the Year for her outstanding work in our community. Jean received a \$2,500.00 award to be used for our organization to continue our charitable efforts. Congratulations Jean, especially for your commitment to the BIB program.

This is the last message I will be sending you as your President. I have enjoyed my year very much. It is hard to believe it is already over as it seemed that it only started yesterday. I sincerely believe that is because I have been surrounded by the best people in Magnolia, The Magnolia Point Women's Club.

We have had a successful year due to all the hard work of my Officers and Committee Chairs as well as all the volunteers on our various projects. My job was made easier because of all of you.

Kathie Cardon and her committee have just delivered Spring Clothes to CEB, a big thank you to all the volunteers who did the shopping. Thresa Oliverio and her committee have been hard at work and have selected five very qualified students to be honored with our scholarships. Good job to all of you.

Our Social Committee did a great job arranging the river boat cruise in St. Augustine last month. We had a great turn out and lovely weather. I know it was enjoyed by all. Also, as many of you know the warmer weather made us aware that we must insure we are well hydrated when we venture outside in our beautiful State and we are all glad that George and Jaci are doing well.

I know we will continue to grow and accomplish all of our goals under the leadership of Norma Chao. Please welcome her with the same kindness and enthusiasm as you have shown to me.

I hope to see you all at the Installation meeting this month. I know it will be a good time.

Respectfully submitted,

Shirley Orvosh, President

Helping CEB Get "Free Stuff"

Our members continue to support CEB by clipping and collecting labels, both Campbell's products UPS codes and "Labels For Education." Don't forget the Pepperidge Farm UPC codes and all V8 beverages.

Labels can be brought to our meetings or left at the club - look under the sink in the ladies room. Thank you for your continued support ~~~~ Happy Clipping, Geri Isgan.
