"To offer a social, educational and charitable organization to the women of Magnolia Point"

## President's Message .....

I am sure you will all agree that Norma did an amazing job as President of the Magnolia Point Women's Club last year. I would like to thank her for all her hard work and for being such a great mentor. She will be a hard act to follow, but I am looking forward to an exciting new year as your incoming President. I feel honored to be a part of this kind and generous organization.

Eloise Burman

As you know, we are only as successful as the members that support us. I am blessed to have Sandy Waldrup as my Vice President, a wonderful team of Executive Officers, a great team of Committee Chairmen and one terrific group of ladies.

I would like to continue with the momentum we have gained over the past several years by focusing on our members. I will be talking more about our goals for the upcoming year at our meetings and in our newsletters. I would love to hear our members' suggestions and will try to incorporate some of your ideas into our goals.

Our Social and Membership Committees are both working diligently to put together programs and socials that I am sure we will all enjoy. If you are interested in serving on a committee or volunteering your time, please let me know.

I will leave you with this thought, "We're all trying to make a big difference, not realizing the small difference we make for each other every day." – Daphne Rose Kingma. Each of you has made a difference in my life. Thank you to all!

Now let's have some fun!!!

Respectfully Submitted, Eloise Burman

## Grocery Brown Bag Collection . . . . .

A big THANK YOU to everyone who donated brown paper bags to our collection. We received a very nice note from Waste Not, Want Not for our bag donation to them.

A brown grocery bag may seem like a very small item to donate, but it saves both Waste Not and the Food Pantry the cost of buying them. Both organizations use the bags to deliver food to those in need. Both organizations use about 500 bags a week.

This is an ongoing drive, so please keep saving those brown paper bags. Bags that we **DO NOT** need include sandwich bags, gift bags, cloth bags, ziplock bags, etc. And, yes, these have all been left in our collection box.
