The club is also upgrading their golf carts and increasing the number to 72 in order to accommodate tournaments. The parking lot will be repaired for now and repaved when the lot is expanded.

Wed., Sept 09 - Meeting

Our next meeting is on Wednesday, September 10th at 3:30pm in the dining room of the clubhouse.

Our guest speaker is author Heather Hamel who is a local resident and the daughter-in-law of the Gulick's. We thank Heather for stepping in at the last minute. You can read more about Heather and her books on Amazon.

Happy Hour will follow the meeting until 6pm.

Back to School Shopping Kickoff

The sign up to shop will be at our September meeting plus an email will be sent to members.

We are on a tight schedule this year. The school is gathering the kids' information now and we will get the list of kids with their sizes on September 14th. Shoppers will have their info the following day. Then, the clothing will be delivered to the school on September 28th.

Shoppers have commented in the past that they have a lot of fun shopping and find this a very rewarding experience.

Come join us! CEB Chairmen, Kathie & Marsha

Sep 19 - Heart of Magnolia Walk

It's not too late to sign up for our Annual Hearts of Magnolia Walk on Saturday, September 19th. Registration and sign-in will start at 8:00am at the clubhouse. The walk will begin at 8:45am on a preset course through the community.

You can also register ahead of time by going to the women's club website and clicking on the red heart - www.mpwc.org.

Sep 22 - Craft Night at the Club

Members are invited to the Club on Tuesday night, September 22nd from 6 to 8pm. We will have five or six crafters on hand to give demonstrations and you can try your hand at each. Crafts include card making, designing bird houses, a "no sew" Christmas tree skirt, paper crafting and making your own bracelet.

Light refreshments will be served and reservations are required. Check your email.

Dec 12 - Light up Magnolia Point

December 12th has been reserved for the 15th Annual Luminary Night Event - be sure to mark your calendars.

Plans are still being finalized and will be announced soon. The Annual Luminary Night began in 2001 as a fundraiser to support the many local charities supported by the Women's Club.

Beginning in 2014, the proceeds are used to provide scholarships for young women at Clay High School. This annual event has grown each year and now serves as one of the club's biggest fundraisers. For the residents who have participated in past, this is a fun way to kick off the holiday season. For our new residents, we hope it will become a tradition for your family.

Jane Corby, Luminary Chairman

President's Message

I hope everyone enjoyed their last "official" weekend of summer and celebrated Labor Day in style. Remember here in Florida, you can still wear white after Labor Day!

Working Ladies, as promised, we are planning an evening event that you can participate in on Sept. 22nd from 6 to 8 p.m. Sandy Magyar and Jaci Shields have put together a crafting event with five to six crafters giving demonstrations. Come out and learn a new craft. There will be light snacks available.

Don't forget the "Hearts of Magnolia Walk" on Sept. 19th. Carrie Cardascia has planned a nice event. If you can't walk, you can still donate to this worthy cause. Best thing about this walk is that we get to do it in our own neighborhood.

The Breast Cancer walk will be Saturday, October 10th. Anita King will be at our meeting this month to give you all the details. Breast Cancer has touched the lives of so many of our friends here in Magnolia. Please join our "Tickled Pink" team and support finding a cure for breast cancer.

As I close, I remind everyone to take a moment to remember the people who lost their lives in the terrorist attack on September 11, 2001, forever embedded in our mind. It has changed our lives forever. In the words of Colin Powell, "You can be sure that the American spirit will prevail over this tragedy."

Respectfully submitted, Eloise Burman
