"To offer a social, educational and charitable organization to the women of Magnolia Point"

December Holiday Social & Trivia

Again, the social committee planned a fun afternoon for our members. To celebrate the holidays, we had a cookie exchange as well as a Christmas trivia contest instead of a meeting. Thank you Sandy Magyar, Marilyn Cole, Kathie Cornell and Jaci Shields.

Wed., Jan 13 - Meeting

Our next meeting is on Wednesday, January 13th at 3:30pm in the dining room of the clubhouse.

Norm Magyar will be our guest speaker and talk about "My Life as an Air Traffic Controller." Husbands and guests are invited and should arrive by 4:00pm.

Happy Hour and dinner will follow the meeting. For reservations, call 269-9276 x 0.

Luminary Night Update

Our residents demonstrated the true meaning of generosity and community spirit during our recent Luminary Night.

\$5,118.00 was raised from the sale of kits and donations and will be used for scholarships for young women graduating from Clay High School in May 2016. This would not have been possible without the help of many volunteers, including block captains, kit assemblers and record keepers. THANK YOU to all who were involved in this effort.

A "Special Thank You" to the committee members:

CEB Thank You

We would like to thank all our Christmas shoppers for the wonderful job they did. The 58 children who received the gifts had a great Christmas.

We would also like to thank our community for once again supporting our annual CEB Charity Drive. Be sure to read next month's MP Living to see the recap of the drive. We hope this year will be a very successful one for MPWC.

President's Message

Happy New Year! 2015 is behind us and it's time to move into high gear for 2016. I hope everyone had a terrific holiday.

Jane Corby led the Luminary Committee to a wonderful year both in terms of participation and revenue, to benefit our scholarship funds. Hopefully everyone was able to ride around and see all the beautiful lights. Katie Bean was lighting her luminaries when two young teenage boys walked by and commented, "This is just beautiful." This is one example of how much people appreciate all the hard work put into making luminaries a success.

Kathie Cardon and Marsha Zupan led the CEB Charitable Giving Campaign to equally impressive results. We raised over \$9,000 for this annual fund raising event to support children living below the poverty level at Charles E Bennett.

The Nominating Committee has kicked into drive for the 2015/2016 Board/Committees. Sandy Waldrup will be next year's President. She is looking for some good ladies who want to make a difference, including a Vice President. We will also need several committee members. In addition, we will be looking for someone to help Cheryle Newman with BIB. Anyone who has ever worked with Cheryle, knows how much fun you will have. If you are interested helping, or serving in any position, please contact Sandy or me.

Please join us for the January meeting, where our very own Norm Magyar will be speaking about his life as an Air Traffic Controller. We would love to pack the place. Be sure to bring your husbands. The Club will be having some drink specials for all our future meetings. Come out and socialize with your friends and stay for dinner.

We are making a difference, and having fun doing it!

Respectfully submitted, Eloise Burman
