President's Message

The good news is Irma is no more!

I hope everyone has seen the good and not the bad that the storm has bestowed on us in the last week.

The bad is over, I don't have to tell everyone what it entailed. Honestly, after having to hide the first night with my pillow and blanket in the closet with my dog and wishing for my Mama, because she would say "are you crazy child? Run Grace, run." But, I did have a little chuckle while shopping at Publix and noticing their humor by making hurricane cakes. What!

You, as a community, are amazing. I saw people helping each other by offering shelter, food, water, comfort and after the storm, with clean up.

If any of you are still in need of help, reach out to any of the Magnolia Women's Club members and we will find a way to get you help. Ladies, again, you are awesome....

We now need some fun things to get us smiling again. Remember, we have the Heart Walk, theater night, our boutique and a casino cruise planned in the near future. With more social events in the coming months, the social committee is working hard planning as I am writing this.

I hope everyone received the message that our September meeting was cancelled. Because the club has had a lot of damage, we will keep in touch and let you know when and where we will meet again. Until then, be safe and enjoy the sunny days.

Till October,

Grace Barber
