

Pointing The Way

"To offer a social, educational and charitable organization to the women of Magnolia Point"

Weds, Nov. 8th Meeting

Our next meeting is on **Wednesday, November 8th at 3:30pm** in the dining room of the clubhouse.

Join us to hear Annabelle Hamachek, owner of *Annabelle's* in Orange Park. She has a very interesting story about women starting a business in Clay County back in the 70's. Following the meeting, stay for happy hour and dinner down in The Pub.

In October, speaker Mike Fleming, a Deputy Director from Clay County's Department of Engineering and Public Works, spoke about the new First Coast Expressway that will come through Clay County and Green Cove Springs to connect I-10 and I-95. The new toll road is expected to reduce congestion on our major highways and bring more economic development into Clay County.

Heart of Magnolia Walk

Our 7th Annual Heart of Magnolia Walk will be Saturday, November 18th which supports cardiovascular disease. All proceeds will go to the American Heart Association. If you plan to donate, you can go to the link:

<http://www2.heart.org/goto/HeartsOfMagnolia>,

On the day of the walk, you can also make a donation. Checks should be made out to The American Heart Association.

Bring your spouse, children, grandkids, aunts, uncles, cousins and don't forget your dog!

Registration and sign-in starts at 8:00am at the Clubhouse and the 3-mile walk begins at 8:45am. So, Magnolia Point residents, mark your calendars to join the walk.

Don't forget to wear **RED**.

"We are not just walking, we are heart walking."

Have a New Neighbor?

The Hospitality Committee greets new residents and presents them with a package of information on the community, the country club and the women's club.

If you have new neighbors, please give Pat Jolly or Mikie Porfidio a call with their names and addresses or email MPWomensClub@aol.com.

Annual CEB Charity Drive

Our annual charity drive for Charles E Bennett Elementary School is underway and donations are starting to come in.

The donations are deposited into a special account that is used solely for the children of CEB. The money will go toward holiday gifts for those who are the most needy and who are recommended by the staff and faculty. Families of these children will also receive a gift card to be used for food for the holidays.

We also need many Santa's Shoppers to shop for the children this Christmas. Last year, we provided gifts for 76 children (siblings included). Look for details coming soon on the shopping information and procedure.

We plan to do a Spring project in 2018 and provide for back to school needs again in the Fall. There may be times that emergency situations arise and we will help with that also.

We depend on our members to provide for the kids and appreciate your generosity and support we have seen in the past and hope it continues.

Welcome New Members

Kim Belcher

You're invited to Movie Mondays

The last Monday of every month is "Movie Monday." The film selection and show time is announced via email and members meet in the lobby of the New Vision Fleming Island 12 Theater. If you have any questions, call Marlene Jacobs.

Watch for the email each month for the movie, date and time of the show.

President's Message

Every day I open my eyes, I think about what makes me happy. I sit down with a warm cup of tea and savor all the smells and sounds of the morning. Not having any of the modern day devices playing in the background lets me hear the real sounds of the moment. I can concentrate on the here and now and hear each morning bird as it chirps. I take note of what I have to be thankful for. Eventually, my life's memories flash in the moments of silence.

Today, I thought about the people that have come into my life since my move to Magnolia Point. You, the women who make up the charitable organization that I have the privilege of being the President of, how you as members generously give support at the times of stress and comfort and joy to each other. I sometimes sit back and watch how each of you give of your time and efforts to help those in need and you do it with smiles. Or, during our meetings how I enjoy listening to ideas that our volunteers in our committee meetings put together. I watch the expressions of commitment on your faces and the seriousness you take in keeping our club records, feeding the kids, bringing us together socially, helping the sick and weary, presenting us programs to enjoy and working diligently bringing together our fund raising activities, etc.

Each and every one of us has our own private trials in our lives, but without hesitation you give of your time and hearts almost every single day. So ladies, when we think "how can we take any more on in our days?," I want you to remember a talented former circus trapeze artist who was brave, but maybe not too smart, Ethel Dare. She went down in history in the late 1919 as "Queen of the Air," when she became the first woman to step from one airplane to another in flight as a wing walker. If she, as a woman, can do something like this, you can smile and take on whatever is needed for yourselves, family, communities and especially our cause. We can do this"Volunteer, it makes me proud" . . .
