July Program

Members were treated to a songfest by the Magnolia Point Singers. Their program included patriotic songs as well as some old favorites. Everyone enjoyed the "sing-a-long" led by Director Allen Eastman.

Aug 11 (Wed) Meeting

The meeting will start promptly at 3:30pm in the clubhouse. The program will be presented by Maynard Cox, better known as the "Snake Man." Learn about the snakes in our area, snake bites, etc. - there will be no snakes at the meeting!!! Mr. Cox will have a booklet and DVD available for \$15 each. Husbands and guests are invited and should arrive at 4:00pm.

Following the meeting, Happy Hour is from 5-7pm and the dinner buffet at 5:30. The buffet includes:

- Buttermilk Fried Chicken
- Fresh Collard Greens - Corn-on-the-Cob
- Russet Mashed Potatoes & Gravy
- Jalapeno Corn Bread
- \$10.00

Ms. Dyal's Fruit Cobbler w/Vanilla Ice Cream-\$2.00

Call Dyal for dinner reservations - 269-9276 x 0.

Thank you to CEB Shoppers

Thank you to all the enthusiastic and very capable shoppers who spent many hours hunting for bargains for Back-To-School clothing for the needy CEB students. Each volunteer shopped for 3 outfits, with only \$50 to spend for all three, including size 16! Much effort is spent finding outfits that the students will be excited to wear on the first day of school. This is not an easy job, but it is a very rewarding one.

On August 10th, the CEB Committee is delivering 50 great-looking outfits to the school. Due to our wonderful shoppers, the average cost of each outfit was only \$12.80!

Thank you to the following shoppers for a job well done:

Everyone Loves Bob!!

Ladies, way to go! We have accumulated **19 pounds** of aluminum pop tops and rings - awesome number considering that aluminum is a light material. When we presented Bob with our collection of pop tops at our June 2009 meeting, he won our hearts with a grin from ear to ear and a sincere show of appreciation. How lucky we are to be able to give so much with such little effort. So, **Let's Do The Twist...**take the time to twist off pop tops from beverage cans, soda pop, soup, sauces, etc., **and let's accept a new challenge: a goal of 25 pounds.**

When Bob "Everyone Loves Bob" Rawlings (employed by Challenge Enterprise) comes to our October meeting to collect the aluminum rings we have collected these past several months, his grin, if at all possible, will be even wider than before.

President's Message

I first participated in "Done in a Day" in Colorado many years ago. The Junior League and their families supplied the man power and it was done in conjunction with an organization called Silver Key which is a lot like our Council on the Aging here.

We started off the day at the Silver Key office where we were treated to a very nice light breakfast and went to our assignments after that.

Some of us planted flowers, pulled weeds, vacuumed rooms, painted porch railings and just generally, did small simple odd jobs that our seniors in our community could no longer do for themselves.

All the projects only took about half a day to complete, but the goodwill and love that was generated by our efforts lasted a lifetime!

We are in the process of putting together our very own "Done in a Day" program with a few tweaks.

Our program will fall under the Community Outreach umbrella and will include "The Diabetes Walk at the Zoo" and "The Breast Cancer Walk" and several others yet to be determined events.

Yes, it is a little different then the original, but it fits our needs a little better and all will still be "Done in a Day".

"Let a joy keep you. Reach out your hands and take it when it runs by" ... Carl Sandburg
