Gisela L. Ferrell Memorial Annual Scholarship

The scholarships will be awarded to deserving female students who attend Clay High School and who need financial assistance to pursue a higher education. The selection will be based on the student's financial need, academic standing, extracurricular activities and community service. Other financial assistance received by the applicants will also be taken into consideration. All decisions by the scholarship committee are final. The scholarships are available to both academic and vocational/technical applicants.

Scholarships will be awarded to selected females at the Clay High School Awards Ceremony and the funds will be sent directly to the college chosen by the student. They may be used for tuition, books and fees.

Students interested in the scholarship should contact the Clay High School Guidance Department for a copy of the application and the guidelines/directions.
