

## 2022-6-1 Board Highlights

Since the monthly Women's Club newsletter, *Pointing the Way*, will no longer be published, President Joanne LaBeouf will do a trial period of preparing a monthly informational recap of "Board highlights" for members. Susan Mitchell will still prepare the Women's Club articles for *The Magnolia News* but the highlights will be more timely.

Below are the highlights from the June 1 Board meeting. If any member has questions, please contact Joanne directly, by either replying to this email or clicking on her email link: [alabeouf@comcast.net](mailto:alabeouf@comcast.net)
