They are in need of funding for the lunch for the boys and asked if MPWC could help with this. The cost of \$360-\$430 which is needed to finish out the school year is over & above our budget. President Cheryle stated the current MPWC budget ends in 4 weeks but perhaps incoming president Shirley would continue this test initiative in her term. Once the school matches you up with a student you would spend 1 hour a week or as little as 2 hours a month. A coordinator will also be needed to schedule the visits. Sharon asks that we think about this for next year.
