**Finance Committee Meeting**  
January 31, 2023

Members Present: Glenda Harden, Joanne LaBeouf, Sandy Magyar, Susan Mitchell, Nancy Nettuno,  
Kim Schlosser, Linda Werring

The Finance Committee met at Linda's house, 3655 Shinnecock Lane, at 10:00 a.m. on January 31, 2023 to discuss the club's current financial situation.

We agreed to move \$300 from Member Benefits to two budget line items that have exceeded the approved spending limits. They are:

- 1) Software was increased by \$150 due to needing to purchase programs to support the new website.
- 2) Miscellaneous Expense was increased by \$150 due to bank fee charges for using online payment options (PayPal for luminaries and future credit card payments).

The committee agreed to transfer \$785 from the unrestricted money market account to the Scholarship account so the Scholarship Committee could have \$15,000 available for awards.

The committee agreed our unrestricted account balance should never go below \$5,000.

The committee agreed the scholarship account should not go below \$10,000 and any funds over that amount should be available for awards to be given out to scholarship recipients.

The committee is recommending to the club's board of directors to increase member dues to \$35 for the upcoming year. Dues are currently \$30 per year.
