

Our History

In 2001, five women - Gisela Ferrell, Jackie McCann, Kathie Cardon, Mary Lee Thompson, and Barbara Szymanski - met to establish a social and support organization for the women of Magnolia Point, and since has become a 501(c)(3) non-profit organization that strives to improve the quality of lives for the underserved residents of Clay County, FL.

Our Mission

is to provide a charitable, educational and social organization for the women of Magnolia Point.

THE MAGNOLIA POINT WOMEN'S CLUB meets for a variety of activities, including monthly general meetings that feature guest speakers offering topics of interest to our members. In addition, the activities committee puts together fun-filled yearly outside events, while the fundraising committee plans events to raise funds to support our charities.

Join one of the Club's social groups or activities. For a full list of activities and their contact information, please check our website: mpwc.org/belong/mpwc-social-groups-and-activities/. Add to your enjoyment of the Women's Club by volunteering. It's the best way to get to know other members and make friends. By working together on programs, activities and fundraising events, you will discover common interests and gain new skills. It takes all of us to make our Club purposeful and fun.
