

Samba Hostess - Things to Know

(Rev. 09/17/2023)

Monthly Hostess: Members will function as the game hostess each game day and receive the RSVPs to play and keep track of the players. There can also be co-hostesses for each game day, but only one hostess will receive the RSVP names.

Game Announcement: Approximately eight days prior to the monthly event, the Communications Director sends an email to all members. All RSVPs will go directly to the monthly hostess. The hostess replies to each RSVP, letting them know their name has been added to the players' list and inquire if they can bring a shuffler.

Players List: Names on the list are on a first come, first serve basis and any player that cancels after signing up must find a substitute and notify the hostess of the substitutes name.

Preliminary Players List: The hostess forwards the names of players signed up to the Communication Director no later than six days prior to game day. The preliminary list of member players is sent to members the Friday night before game day, notifying members that their guests can be invited to fill any empty spots.

Final Players List: The hostess forwards the final list of names to the Communications Director, who in turns sends out the list no later than the day before the card game play date, reminding players to bring their shufflers and to find their own substitute, if needed.

Day Before Play – Club Notification: Let Deneen know how many tables need to be set up. You can email Deneen at events@magnoliapointgolfclub.com or text her at 360-628-0196.
