

Members Holiday Luncheon Recap – by Cindy Triay, Activities Director

On Wednesday, December 11, 2024, the annual Women’s Club Christmas luncheon was held Sacred Heart Catholic Church Activity Center. It is always a pot-luck event, with the Women’s Club providing chicken. After an amazing lunch...those attending were visited by Santa Claus (aka Stan Forfa). Everyone received a bag of candy and a pair of adorable Christmas earrings. Marty Essex led a challenging trivia game, with Jola Greiner winning the tie-breaker among two other members. Lorna Broughton led a sing-along of Christmas carols. President Donna Habing divided the group into teams to sing “A Partridge in a Pear Tree”...each group played a part in this activity, which had everyone laughing. (This may become an annual activity!!)

Jackie Maneval, Outreach Chair, provided a list of items that were in need at the Green Cove Springs Food Pantry, and as usual, the members came through in a big way. A truck from the Food Pantry came and picked up 282 pounds of food, clothes, blankets and many other items. Thank you so much to each and every one for your generosity!!
