

Our History

In 2001, five women – Gisela Ferrell, Jackie McCann, Kathie Cardon, Mary Lee Thompson and Barbara Szymanski – met to establish a social and support organization for the women of Magnolia Point. Over the years, the group evolved to become a 501(c)(3) non-profit organization in 2008 that strives to improve the quality of lives for the underserved in Clay County, Florida. The Club celebrates its 25th anniversary in 2026!

Our mission is to provide a charitable, educational and social organization for the women of Magnolia Point.

Members of the **Magnolia Point Women's Club**, while enjoying a rich social life, volunteer their services in the local community and at many of the Club's fundraising events in support of its multiple charities.

The various fundraising activities held each year directly support the Club's mission statement. Volunteering is one of the best ways to meet other members and make friends. By working together on programs, activities and fundraising events, you will discover common interests and gain new skills.

The Club has monthly member meetings that feature guest speakers and programs offering topics of interest to the members. In addition, fun-filled outside events are offered throughout the year.

Members can also participate in Club sponsored activities, such as card games. Numerous non-Club activities are also available in the community, either privately hosted or offered by the Magnolia Point Golf & Country Club. A full list of activities can be found by visiting the Women's Club website (www.mpwc.org).

It takes all of us to make the Club purposeful and fun!
